IXION CAVALCADE 2024 entry notes

For Sunday 12th May 2024 @ 10.30am

S-0-M: Dan Towers
Clerk of the Course: Colin Gunn

The run starts from St Barnabas Church, Sea Road, Bexhill on Sea,TN40 1JG at 10.30am on Sunday 12th May. When arriving at the church (anytime from 8.45am), there is a small car park on site and you will be able to offload your bike and park in it, next to the church. There is however, no parking for cars or vans on site, but at the bottom of Sea Road, you can turn left onto De La Warr Parade on the seafront and there is plenty of parking available a short walk away.

There is a café about 1 minute walk away from the church, called Café Inn (31, St. Leonards Road) that will be open and available for breakfasts and refreshments from 8.30am. There are toilet facilities are available at the church.

Around 10.15am, Father Harper will perform a short blessing of the bikes and we will prepare to start at 10.30am..

We will offer two routes; the long route of around 45 miles and the short route of 32 miles. Both take us off across the beautiful Pevensey Levels and we ran the course in February and noted that following the wet and then cold winter, there were a lot of potholes in places, so please keep an eye out for them!

The route is suitable for low powered machines and has an additional 'long' loop to extend the short run. The short route takes is mostly quiet B roads and the long route takes in some A roads, though not hugely busy it is worth noting if on a veteran or low powered machine.

We will have a breakdown van equipped to carry bikes. If you are unfortunate enough to require the services of our van, then if you can let us know which section (each is numbered) you are in, then we will be able to find you! Please call:

Upon return to the Church (we estimate somewhere between 1pm and 2pm), you will be able to park in the car park again as Sunday Service will have finished -please make sure you **SIGN-OFF**, to ensure that we know you are all back safely!

You will then be able to enjoy teas and coffees, along with a slice of cake and chat with fellow riders -please note there is no charge for this but we do ask for a donation -all of which will go to the church funds to cover the costs of using the church facilities.
