Camping, for those Interested –

There are not many sites in this area that are suitable but I have spoken to one site owner and the site sounds perfect.

They allow BBQ's and also have a BBQ pit, parking next to the Tent, no shop on site.

Lower Camps, Hall Farm Rd, Castle Camps, Cambridge CB21 4SX

campscamping21@gmail.com

The site is closed at the moment (February), it is a seasonal campsite. But is open for booking.
